The iconic Candy Factory Lofts is a Queen West landmark. A forefather in the Toronto loft scene for good reason. Many rank it as Toronto's best for its timeless industrial architecture, brick-and-beam construction, and unbeatable location. Trinity Bellwoods Park, Ossington, Dundas West, and Queen West are all steps away. Entering the loft, you're greeted with beaming natural light through the arched windows, wide floor plan, and soaring ceiling heights. The warmth and natural colour of the Douglas Fir timber posts and beams add an authenticity that can't be recreated. Move in effortlessly and enjoy the recent renovations and updates throughout. Waking up each morning in the elevated primary bedroom, you'll fall in love with this loft over and over again.

One of the few lofts in the city with a concierge. Your deliveries, guests, and bookings are all taken care of. Enjoy the party room with rooftop
